2021 OSU Alumni Survey

Survey Report – Accounting

The OSU Alumni Survey is a survey designed to collect information about OSU graduated students. More specifically, it is designed to collect information on their career, educational achievements, and their experience with OSU. This information will be used to improve academic programs and student experiences at OSU for generations to come. This survey targeted alumni of undergraduate and graduate programs who received their degree in 2015 and/or 2019. The survey was administered online by OSU-University Assessment and Testing (UAT) in March 2021 through May 2021. Departments may request additional information by contacting UAT (assessment@okstate.edu).

Survey Questions

Respondents were asked up to 26 institutional level items. Institutional level items were given to all OSU alumni and the items consisted of six topics: continuing education, well-being and community, demographic information, academic satisfaction, career reflection, and current job or career information.

Overall

25. What could OSU have done to better serve you?
Perhaps maybe some "get ready for adult life" classes would have helped (classes about 401ks, taxes, etc)
Teaching more problem solving skills
When I was in school the cost of books and other technology was a bit much at times, would have been nice if some of that could have been worked down.

26. What additional information would you like OSU to know?
Would like OSU to work with students to be go getters and understand meaning of a career versus a job.
